From these experiences we hope that our students are better prepared to take their place in tomorrow's society as good citizens.

PINE STATE

PINE STATE

ONE TO GROW ON ...

Good health is our business. We take a deep personal pride in watching the growth and development of youngsters raised on Pine State's good, health-giving milk and dairy foods. We feel great satisfaction in the knowledge that we contribute to the growth of the community as we do to the growth of its citizens. We're proud of the fact that we're growing...that more and more families are asking for Pine State's pure, delicious milk, ice cream and other fine dairy foods.
